Abstract .....	5
Acknowledgments .....	7
Foreword .....	11
Preface .....	13
Introduction .....	15

## **PART I. Positioning Grounded Theory in the research landscape..... 19**

### **CHAPTER 1. The construction of new theories .....21**

### **CHAPTER 2. Terminology clarifications and paradigmatic positioning .....29**

- 1. Some definitions .....29
- 2. Classification of mixed-design studies.....31
- 3. Paradigmatic issues .....35

### **CHAPTER 3. Grounded Theory – A metatheory of research design.....41**

- 1. The origin of Grounded Theory .....41
- 2. Grounded Theory and the philosophical stance of the researcher .....43
- 3. The founding principles of Grounded Theory.....43
- 4. A new perspective on Grounded Theory .....47

### **CHAPTER 4. Mixed designs utilized in published Grounded Theory research.....57**

Discovering new theories

Table of contents

**CHAPTER 5. The main guidelines for grounded research design.....63**

- 1. "All is data" .....63
- 2. The ultimate purpose.....64
- 3. Constant comparative analysis of all data.....65
- 4. Emergence of design .....66
- 5. Philosophical neutrality .....66

**PART II. A journey to the land of theories ..... 69**

**CHAPTER 6. A critical realist approach ..... 71**

**CHAPTER 7. The different ports of call of our journey ..... 73**

- 1. Project summary ..... 73
- 2. The qualitatives phases – a user profile typology anchored in users' IT culture ..... 75
- 3. The mixed phases – amending the qualitative typology and theorizing in rupture with existing literature ..... 76

**CHAPTER 8. Staying alert during the voyage.....81**

- 1. Remaining in an exploratory stance .....81
- 2. Theoretical sampling of mixed data .....83
- 3. Embedding constant comparative analyses of qualitative and quantitative data.....85

**CHAPTER 9. Why carry mixed data in the luggage?.....87**

- 1. Making sense .....87
- 2. Formalizing .....89
- 3. Parsimonious saturation .....91

**CHAPITRE 10. A mixed and grounded typological approach .95**

- 1. The typological approach .....95
- 2. A mixed and grounded typological design .....97
